

Forever Love Weddings was born out of a passion for helping people and creating smiles. What started as a hobby has now become my full-time profession after retiring from 25 years as an Emergency Medical Technician in 2019. I am dedicated to making your wedding planning experience as stress-free as possible. Our initial appointment can be scheduled in person, over the phone, or via video conference, depending on what works best for you.

The Meeting:

During our initial 30-minute consultation, we will discuss your ideas and the vision you have for your service. As a Non-Denominational Minister, I am able to provide both religious and non-religious services. I will ask specific questions to gather information for your three sample scripts, which I will then prepare and send to you for approval. I will make any necessary changes prior to your service date. These questions will include details such as how you met and who proposed to whom, allowing me to create a personalized script for your ceremony. Your wedding day is important, and I want to ensure that your scripts are exactly how you want them to be. I am here to answer any questions you may have and address any concerns.

After The Meeting:

In order to proceed, I kindly ask for a \$50.00 deposit to begin drafting your sample scripts and a signed contract for my services. Both can be conveniently completed on my website ForeverLove-Wedding.Com

Please ensure to check your email regularly, including your spam folder, as I will be sending over sample scripts for your review and potential edits to tailor them to your needs. I am available round the clock, seven days a week, to address any inquiries or provide support as needed. I am committed to walking you through every step of the process to ensure your wedding day is nothing short of perfect.
